**The Archive** As part of the Sarasota County Library Special Collections Department of the Selby Public Library, the Sarasota Music Archive is one of the nation's leading music reference collections containing several hundred thousand recordings, tapes, music scores, books, and memorabilia. The collection includes opera, vocal, choral, musicals, jazz, popular, folk, instrumental, and orchestral music. Recordings may be in the form of Edison wax cylinders, one- or two-sided shellac discs, LP vinyl records, laser discs, DVDs, or compact discs. There are listening stations. The catalogue is online at: [www.sarasotamusicarchive.org](http://www.sarasotamusicarchive.org). Volunteers keep the Archive going. They check and catalog donated materials, plan events, and provide assistance to members and the public. Recordings and music scores that are not needed for the collection are sold at very reasonable prices and copies can be made of scores.
